**LARIMER COUNTY, COLORADO**

August 28, 2007

Dear Colleagues,

As incoming president of Larimer County Dental Society, I am excited to welcome you to a new year of educational programs, community updates and social activities.

Our year will begin with the Golf Scramble at Ptarmigan Country Club on September 17th. Dr. David Jones planned and orchestrated this event over the summer so all those who attend are assured to have a blast! If you don't golf, no worries – Dr. Jones has designed this event as a great fall day out-of-doors for all skill levels with plenty of prizes for creative golfing and a great dinner afterwards.

We begin our regular meetings on Tuesday, October 9th, 6:30p.m., at the Cottonwood Club. Please mark this date on your calendar. We will kick the year off with a great update from Neil McCaffrey about the Healthy Smiles program pioneered by the North Fort Collins Business Association as well as updates for the Colorado Mission of Mercy and other charitable activities.

In November we will be hosting the renowned Dr. John McDowell from the Lazarra Center for Oral- Facial Health. He will be sharing with us the latest information regarding “Meth Mouth”.

Nothing says it's winter quite like a hockey game and rumor has it that LCDS will try to reserve a block of tickets for a Northern Colorado's Champion Eagles game. We will keep you posted!

From there we will ease into the new year with a our annual CDA officer visitation meeting and usher in the Spring with another guest lecturer from Lazarra Center for Oral-Facial Health, Dr. Ricky Harrell.

This year, with the help of the members of the Executive Committee: Immediate Past President Dr. David Jones, Vice President Dr. Mark Orr, Treasurer Dr. Todd Singiser, and Secretary Dr. Cory Foster, I hope the LCDS can offer you a setting to socialize, an opportunity to educate, and a forum to inform.

Thank you for the opportunity to serve the Larimer County Dental Society. As always, the Executive Committee and I welcome any input from members to improve our society.

Sincerely,  
Patrick Harrison, D.D.S.

 **Mark this on your calendar: July 17-18, 2008 will be the dates for the Colorado Mission of mercy which will be held in Fort Collins @ the Ranch.**
